

Sparkling wine Ludovicus XIV sweet

Producer – Les Producteurs Reunis
(Sadirac, Bordeaux area, France)

Type – sparkling wine

Sugar content – 60-65 g/l (sweet)

Alcohol content – 11%

Color – white

Volume – 0,75 l

Wine style:

white - sparkling, refreshing, not aged in oak

Tasting characteristics:

Sparkling wine has a pale straw color with a persistent perlage. Fine and intense aroma in nose reveals notes of citrus, tropical fruits and white flowers.

Excellent structure, spicy notes combined with fruity tones in the mouth form a balanced aftertaste.

Gastronomy:

Perfect as an aperitif, as well as for biscuits and cookies.

Production method:

Sparkling wine Ludovicus XIV Brut produced by the Charmat Method (it is also called the tank method). Secondary fermentation is carried out in large steel tanks at a controlled temperature.
